Data basis

\*The average serviced apartments prices refer to the average price per night per apartment of all bookings made between January 1st to December 31st, 2018. Bookings include all apartment types (e.g. also 2 to 3 bedroom apartments) and booking types (short, mid and long-stay).

\*\*HRS average prices were taken from the HRS Hotel Price Report 2018 (<http://www.hrs.de/hotel/presse/hotel-preise-2018/>)
